Neverland (acoustic)

*running in circles
nowhere to go,
nowhere to stay
and finally
i realize
i find myself back where i started*

*i'm bending,
i'm breaking
trying to fit in this world
but no one accepts me
i'm screaming, i back down
no i never break
hold onto this pressure*

*Roots can't take on concrete ground
Never been lost yet i need to be found
Welcome to my neverland
Just lay down and don't look back*

*Welcome to my neverland
Here i may be who i really
Just lay down and don't look back
Don't look back*

*cruelty everywhere i look
scared faces in the mirror
staring back into the void
with empty eyes and weathered souls*

**GET UP
FIGHT BACK
MY INNER VOICE
IS SCREAMING
UNTIL THE BODY
COLLAPSE**

**GET UP
FIGHT BACK
MY INNER VOICE
IS SCREAMING**

**UNTIL THE BODY
GIVES IN**

*Roots can't take on concrete ground
Never been lost yet i need to be found
Welcome to my neverland
Just lay down and don't look back*

**WELCOME TO MY NEVERLAND
HERE I MAY BE WHO I REALLY AM
JUST LAY DOWN AND DON'T LOOK BACK**

The Ballad

DEEP IN THE SHADOWS, OF A SILENT CITY
IS A MONSTER LURKING, WITHOUT A PITY
FOR THE RECKLESS PREY TO HUNT AND SLAY
HE WILL NEVER SEE THE LIGHT OF DAY

RUN FOR YOUR LIFE
RUN AS FAST AS YOU CAN
DON'T YOU EVER LOOK BACK
IT ALWAYS STAYS ON YOUR TRACK

„YOU CAN'T HIDE,
MY LITTLE DEER
I WILL ALWAYS
BE BY YOUR SIDE
CAUSE I AM YOU!“

THE DEMON INSIDE TRIES TO TAKE CONTROL
YOU FEEL LIKE YOU CAN'T AVOID IT
YOU RAN YOU HIDE
CAN'T SEE A GLIMPSE OF LIGHT
DOWN ON YOUR KNEES
YOU SEEM TO DISAPPEAR

RUN, RUN, RUN, RUN, RUN, RUN, RUN, DIE

YOU GAVE UP?
STAND UP!
YOU'RE BITTEN?
BITE BACK!
YOU'RE DROWNING?
LEARN TO SWIM!
YOU'RE MISGUIDED?
TAKE MY HAND!

OR THE DEMON WINS

OR THE DEMON WINS

FUCK

OR THE DEMON WINS

Indifference//Overdrive

**HAVE YOU EVER FELT THE SCYTHE
BRUSH PAST YOU WHILE YOU'RE PARALYZED?
IS IT TOO ODD TO EMBRACE THE VOID?**

**I'M ALREADY PAST DISTRESS
ALREADY DAZED AND DEAF
AND COLD IRON PIERCES THROUGH MY SKIN
BUT I DON'T FEEL A THING**

Release me from everything that I hide

I'M CHOKING ON MY PRIDE

Deface me and my memories inside

FALLING DOWN AN ABYSSAL TIDE

might go insane

I fail to separate life from the pain

FALLING APART WASN'T ENOUGH

Am I to blame?

I think something's not right inside my brain

FALLING APART WASN'T ENOUGH

[SAMPLE]

"It's not that fast. It could happen. It's weather. It's - These are moods that happen independently."

If death is a prison

I think that I've been to it

And I can never tell the difference

From my life, I'm ruined

I can't escape this feeling

Going from sane to manic

My mind can't choose between indifference and overdrive

MIGHT GO INSANE

I fail to separate life from the pain

FALLING APART WASN'T ENOUGH

Am I to blame?

I THINK SOMETHING'S NOT RIGHT INSIDE MY BRAIN

There ain't no remedy for this fucking tragedy

There ain't no remedy for this fucking tragedy

There ain't no remedy for this fucking tragedy

There ain't no remedy for this fucking tragedy

**LIKE WAVES CRASHING THE SHORELINE
ERASING THE FOOTSTEPS OF MINE
NO TRACE LEFT TO BE FOUND
I'M SLEEPING SIX FEET UNDERGROUND**

(If death is a prison)

HAVE YOU EVER FELT THE SCYTHE

(I've been to it)

BRUSH PAST YOU WHILE YOU'RE PARALYZED

(Tell the difference)

IS IT TOO ODD

(I'm ruined)

TO EMBRACE THE VOID

Overdrive!

None of Us

*You stopped counting the times
I promised I would change
You've realized you can't mend someone living in denial
I've given up, surrendered - as if there was a choice
A war without a winner, just collateral damage
The fear of honesty, of living life like I'm supposed to be
An everlasting retrograde and no venus to guide us
no fortune to be told, the firmament so empty,
grasping onto every sign, crossed by stars anew*

**CELESTIAL THREAT
UNRULED
BY SENSE AND SANITY
EVASIVELY SCHOOLED
(2x)**

*this zodiac's no match for me
I start to see that sympathy
is only granted to people
that abide the norms*

**YOU CAN ONLY LOOK BACK
UNTIL YOU BREAK YOUR NECK**

*to fight like this and still feel wrong
how are you supposed to grow strong
in a world that's built for none of us (none of us)*

**NONE, NONE, NONE OF US (none of us)
NONE, NONE, NONE OF US
NONE OF US**

*I don't wanna wait for the stars
to be fully aligned
Can't you see the deep scars
This cold world has designed **(THIS COLD WORLD HAS DESIGNED)***

*to fight like this and still feel wrong
how are you supposed to grow strong **(TO GROW STRONG)**
in a world that's built for none of us*

none of us

none of us

NONE, NONE, NONE OF US

NONE, NONE, NONE OF US

NONE, NONE, NONE OF US

NONE, NONE, NONE OF US

NONE OF US

Pearly Gates

**IN DREAMS I HAD MY LATE LOVE RETURN FROM THE COMDEMNED,
RADIANT AS EVER IN THE LIGHT OF DAY'S BREATH.
HER GHOST, SHE DESIRED, TO COALESCE ONCE MORE,
AND LIKE IXION, I EMBRACE A FAINT ALLURE.**

*I've come to seize again the most cherished of lovers
I've come to die again in your intricate covers
In hell I grew delicate beyond my carnal life
I've come to resolve our eternal strife*

**HER TENDER HEART SO PURE AND KIND
I TARNISHED WITH MY WANDERING MIND
IN FLEETING MOMENTS I STRAYED AFAR
I FED ON LECHERY, A LOVE BIZARRE.**

*Dying in your sheets is my last will
The recollection of you haunts me still
I call for truce and forgive what you did
Now come indulge in dreams somber and morbid
Done away with myself in despair
In an attempt to flee from our nightmare
In blissful ignorance of what awaits
When you're send off before the pearly gates*

**AND THOUGH I SHOULD'VE FELT CONTENT
I COULDNT HELP BUT TO REPENT
IS THIS THE PENANCE I MUST COMMIT
INFATUATED WITH THIS COUNTERFEIT**

*Dying in your sheets is my last will (MY LAST WILL)
The recollection of you haunts me still
I call for truce and forgive what you did
Now come indulge in dreams somber and morbid
Done away with myself in despair
In an attempt to flee from our nightmare
In blissful ignorance of what awaits
When you're send off before the pearly gates*

*Farewell, I depart to the deceased
Our last encounter fugitive
I may desist at least*

*You've vaunted over bedding my earthly shell afore
You've longed for other ventures when loyalty you swore*

**HER WORDS PIERCED ME, LIKE A DAGGER TO MY CORE,
FOR IN HER GHOSTLY RETURN, I CRAVED HER EVEN MORE.
THAT EPHEMERAL VISIT HAD COME TO AN END
IT DAWNED ON ME: I BED HER SOUL, HER LIVING DAYS MISSPENT**

**HER LIVING DAYS MISSPENT
HER LIVING DAYS MISSPENT**

*Dying in your sheets is my last will (**MY LAST WILL**)
The recollection of you haunts me still (**HAUNTS ME STILL**)
I call for truce and forgive what you did (**FORGIVE WHAT U DID**)
Now come indulge in dreams somber and morbid (**SOMBER AND MORBID**)
Done away with myself in despair (**MYSELF IN DESPAIR**)
In an attempt to flee from our nightmare (**FLEE FROM MY NIGHTMARE**)
In blissful ignorance of what awaits (**OF WHAT AWAITS**)
When you're send off before the pearly gates (**BEFORE THE PEARLY GATES**)*

Call Of The Sea

**THE OCEANS TIDE KEEPS CALLING ME
AS I'M TRAPPED IN THIS FOREIGN LAND
MEMORIES OF HOME, THEY HUNT ME
LIKE THE WAVES CRASHING ON THE SANDS**

*The smell of salt, it fills my lungs
Reminding me of what I've lost
The anchor of my soul, it's gone
And all that's left **IS TEMPEST TOSSED***

*Bring me back to where I belong
To the shores that I call home
Listen to the sea, it sings a mournful song
As I wander **ALL ALONE***

**THE WEIGHT OF HOMESICKNESS DRAGS ME DOWN
AS I STRUGGLE TO KEEP MY HEAD ABOVE THE WAVES
BUT I WON'T LET IT KEEP ME DROWN
I'LL FIGHT UNTIL I'M SAVED**

*Bring me back to where I belong
To the shores that I call home
The sea it sings a mournful song
As I wander **ALL ALONE***

**THE SEA IT WHISPERS TALES OF OLD
OF SAILORS LOST AND TALES UNTOLD
I'LL FIND MY WAY
BACK HOME ON DAY, UNTIL THEN, I WILL JUST HAVE TO PRAY**

*The open sea, it's all I see
As I sail towards the unknown
But the thought of home, it beckons me
And I know I **CAN'T DO THIS ALONE***

**THE WIND IT HOWLS, THE WAVES THEY ROAR
BUT THROUGH IT ALL I HEAR MY HOME'S SWEET CALL
AND ONE DAY SOON, I WILL BE BACK ON SHORE
UNTIL THEN, I'LL KEEP ON STANDING TALL**

Down in the Flames

**YOU'RE GOING DOWN
THAT IS MY DESIRE
YOU'RE GOING DOWN
BURNING IN THE FIRE**

*you tried to control me, it was like a disease
getting away from you is what put me at ease
you charmed me into believing your stories
now all that's left are pain and worries*

**YOU'RE GOING DOWN
THAT IS MY DESIRE
YOU'RE GOING DOWN
BURNING IN THE FIRE
YOU'RE GOING DOWN
KEEP PLAYING YOUR GAMES
YOU'RE GOING DOWN
DOWN IN THE FLAMES**

*you stole my life
every piece of it
you were a snake in disguise
and broke me bit by bit
with glowing eyes
you held my hand
but told me lies
just like you planned*

**TEAR YOU TO PIECES
you break me apart
FALLING IN ASHES
you tore out my heart
TEAR YOU TO PIECES
you break me apart
FALLING IN ASHES YOU TORE OUT MY HEART**

**THIS IS OUR LAST GOODBYE
I HOPE YOU CHOKE ON YOUR LIES**

*tear you to pieces
you break me apart*

*falling in ashes
you tore out my heart*

**YOU'RE GOING DOWN
THAT IS MY DESIRE
YOU'RE GOING DOWN
BURNING IN THE FIRE
YOU'RE GOING DOWN
KEEP PLAYING YOUR GAMES
YOU'RE GOING DOWN
DOWN IN THE FLAMES**

*you're going down
that is my desire
you're going down
burning in the fire
you're going down
keep playing your games
you're going down
DOWN IN THE FLAMES*

When Two Worlds Collide

*Let our voices guide us through the storm
together we stand tall in our purest form
as the stars aligned in the sky
we spread our wings and prepair to fly
screaming out in the dark of night
hearts torn apart in the blinding light*

**FROM RUINS WE RISE
WHEN OUR TWO WORLDS COLLIDE
WE WILL FORM AN INFINITE BOUND
FROM RUINS WE RISE
WHEN OUR TWO WORLDS COLLIDE
MAY WE NEVER CRASH ON THE GROUND**

*as life goes on
where we belong
we can't go wrong
we will stand strong*

*from the ashes we rise, like a phoenix in the sky
our spirits unbroken, we'll never die
when our fingers intertwine, a symphony of fire
in the chaos and darkness, our live reaches higher
through the ashes and flames we find our strenght
in the face of adversity we go to any lenght*

**I'LL TAKE THE SACRAFICE
WHEN OUR TWO WORLDS COLLIDE
I AM TERRIFIED
THAT WE MIGHT JUST DIE TONIGHT
(X2)**

*as life goes on
we will stand strong*

*as life goes on
we know where we belong
we stand strong
(X4)*

as life goes on **(AS LIFE GOES ON)**

we know where we belong **(WE KNOW WHERE WE BELONG)**

we stand strong **(WE STAND STRONG)**

(X4)

Devour The Sun

**CRIMSON SKIES, A DYING LIGHT
SHADOWS GROWING, GRIP THE NIGHT
A HUNGER STIRS, A PRIMAL NEED
TO BREAK THESE CHAINS, PLANT A WICKED SEED**

Devour the sun

DEVOUR THE SUN

*No more surrender, no more fear
The ancient force is drawing near
To rise above, the darkest hour
To take its light, and claim its power
Devour the sun, in fractal rays
A kaleidoscope of endless days
We'll swallow light, and bend its form
In swirling patterns, and cosmic storm*

*The stars retreat, they turn to dust
The vibrant hues, betrayed our trust
The age of light is at its end
A new dominion to transcend*

**IT'S BLAZING HEART, A LIQUID DREAM
PULLED APART BY A COSMIC STREAM
THE BOUNDARIES SHATTER, WE'VE BECOME ETERNITY
TO DANCE
WITH THE INFINITY**

**GOLDEN BEAMS, ONCE HELD SO HIGH
NOW FUEL THE BEAST WITHIN THE SKY
A COSMIC MAW WITH ENDLESS GREED
DEVOURING ALL, A WICKED DEED
THE GRAVITY PULLS, A SWEET EMBRACE
AS WE DISSOLVE IN TIME AND SPACE
MELTIN CLOCK IN EMBER SKIES
THE SUN, A CANDY FOR HUNGRY EYES**

*No more surrender, no more fear
The ancient force is drawing near
To rise above, the darkest hour
To take its light, and claim its power
Devour the sun, in fractal rays*

*A kaleidoscope of endless days
We'll swallow light, and bend its form
In swirling patterns, and cosmic storm*

**MELTING CLOCKS IN EMBER SKIES
THE SUN, A CANDY FOR HUNGRY EYES**
