

# Call Of The Sea

**THE OCEANS TIDE KEEPS CALLING ME  
AS I'M TRAPPED IN THIS FOREIGN LAND  
MEMORIES OF HOME, THEY HUNT ME  
LIKE THE WAVES CRASHING ON THE SANDS**

*The smell of salt, it fills my lungs  
Reminding me of what I've lost  
The anchor of my soul, it's gone  
And all that's left **IS TEMPEST TOSSED***

*Bring me back to where I belong  
To the shores that I call home  
Listen to the sea, it sings a mournful song  
As I wander **ALL ALONE***

**THE WEIGHT OF HOMESICKNESS DRAGS ME DOWN  
AS I STRUGGLE TO KEEP MY HEAD ABOVE THE WAVES  
BUT I WON'T LET IT KEEP ME DROWN  
I'LL FIGHT UNTIL I'M SAVED**

*Bring me back to where I belong  
To the shores that I call home  
The sea it sings a mournful song  
As I wander **ALL ALONE***

**THE SEA IT WHISPERS TALES OF OLD  
OF SAILORS LOST AND TALES UNTOLD  
I'LL FIND MY WAY  
BACK HOME ON DAY, UNTIL THEN, I WILL JUST HAVE TO PRAY**

*The open sea, it's all I see  
As I sail towards the unknown  
But the thought of home, it beckons me  
And I know I **CAN'T DO THIS ALONE***

**THE WIND IT HOWLS, THE WAVES THEY ROAR  
BUT THROUGH IT ALL I HEAR MY HOME'S SWEET CALL  
AND ONE DAY SOON, I WILL BE BACK ON SHORE  
UNTIL THEN, I'LL KEEP ON STANDING TALL**
