

Indifference//Overdrive

**HAVE YOU EVER FELT THE SCYTHE
BRUSH PAST YOU WHILE YOU'RE PARALYZED?
IS IT TOO ODD TO EMBRACE THE VOID?**

**I'M ALREADY PAST DISTRESS
ALREADY DAZED AND DEAF
AND COLD IRON PIERCES THROUGH MY SKIN
BUT I DON'T FEEL A THING**

Release me from everything that I hide

I'M CHOKING ON MY PRIDE

Deface me and my memories inside

FALLING DOWN AN ABYSSAL TIDE

might go insane

I fail to separate life from the pain

FALLING APART WASN'T ENOUGH

Am I to blame?

I think something's not right inside my brain

FALLING APART WASN'T ENOUGH

[SAMPLE]

"It's not that fast. It could happen. It's weather. It's - These are moods that happen independently."

If death is a prison

I think that I've been to it

And I can never tell the difference

From my life, I'm ruined

I can't escape this feeling

Going from sane to manic

My mind can't choose between indifference and overdrive

MIGHT GO INSANE

I fail to separate life from the pain

FALLING APART WASN'T ENOUGH

Am I to blame?

I THINK SOMETHING'S NOT RIGHT INSIDE MY BRAIN

There ain't no remedy for this fucking tragedy

There ain't no remedy for this fucking tragedy

There ain't no remedy for this fucking tragedy

There ain't no remedy for this fucking tragedy

**LIKE WAVES CRASHING THE SHORELINE
ERASING THE FOOTSTEPS OF MINE
NO TRACE LEFT TO BE FOUND
I'M SLEEPING SIX FEET UNDERGROUND**

(If death is a prison)

HAVE YOU EVER FELT THE SCYTHE

(I've been to it)

BRUSH PAST YOU WHILE YOU'RE PARALYZED

(Tell the difference)

IS IT TOO ODD

(I'm ruined)

TO EMBRACE THE VOID
