

When Two Worlds Collide

*Let our voices guide us through the storm
together we stand tall in our purest form
as the stars aligned in the sky
we spread our wings and prepair to fly
screaming out in the dark of night
hearts torn apart in the blinding light*

**FROM RUINS WE RISE
WHEN OUR TWO WORLDS COLLIDE
WE WILL FORM AN INFINITE BOUND
FROM RUINS WE RISE
WHEN OUR TWO WORLDS COLLIDE
MAY WE NEVER CRASH ON THE GROUND**

*as life goes on
where we belong
we can't go wrong
we will stand strong*

*from the ashes we rise, like a phoenix in the sky
our spirits unbroken, we'll never die
when our fingers intertwine, a symphony of fire
in the chaos and darkness, our live reaches higher
through the ashes and flames we find our strenght
in the face of adversity we go to any lenght*

**I'LL TAKE THE SACRAFICE
WHEN OUR TWO WORLDS COLLIDE
I AM TERRIFIED
THAT WE MIGHT JUST DIE TONIGHT
(X2)**

*as life goes on
we will stand strong*

*as life goes on
we know where we belong
we stand strong
(X4)*

*as life goes on (AS LIFE GOES ON)
we know where we belong (WE KNOW WHERE WE BELONG)*

we stand strong **(WE STAND STRONG)**
(X4)
